 hello@riles.me
 (226) 747-6368

EDUCATION

2009 - 2014

B.A.Sc. in Honours Systems Design Engineering University of Waterloo - Waterloo, Canada

Interdisciplinary engineering degree with an integrated co-op program, specializing in interface design and human-computer interaction.

EXPERIENCE

Apple Inc.

May 2013 - Aug 2013

UI Design Intern - Cupertino, CA

Designed concepts, wireframes, high-fidelity mockups, animations, and interactions for multiple internal software tools. Worked closely with a team of engineers, and coded designs using XHTML/CSS/SVG. Presented work to top VPs and design leads.

Freelance

2012 - Current

Meticulous Designer - Waterloo, ON

Web and mobile product design, branding, print, and front-end development for start-ups and small businesses.

Communitech Apps Factory

Sep 2012 - Dec 2012

UX Design Intern - Kitchener, ON

Designed wireframes for user-focused mobile apps on iOS, Android, and BB10 devices. Concentrated on asking the right questions, as a liaison between clients and developers.

Warner Music

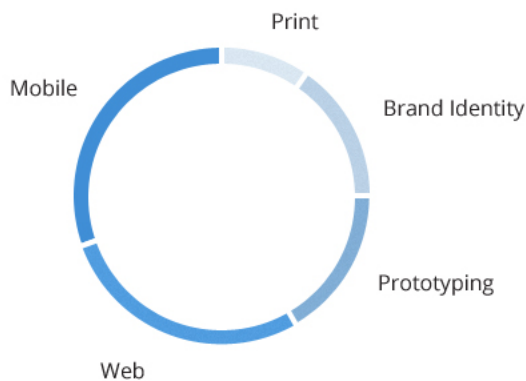

2012 - Current

Hired Gun - Across Canada

Guitarist with platinum-selling artist Victoria Duffield. Performances include award shows, live national television, live-to-air radio, corporate events, and promotional tours.
